Bridal Flower Seen As Choice in Stake

Be Faithful and Miss Grillo Also Seek Filly-Mare Event; Six in Meadow Brook 'Chase

BELMONT PARK, Elmont, L. I., N. Y., May 27.—The eighth running of the $20,000 Top Flight Handicap at a mile and a sixteenth and the fifteenth edition of the $15,000 Meadow Brook Steeplechase Handicap at about two miles and a half illuminates tomorrow's sparkling Belmont Park program. A dozen of the better fillies and mares have been entered overnight in the Top Flight, headed by King Ranch's Bridal Flower, who looms a solid choice, despite her 126-pound impost. There are only six in the Meadow Brook, with Elkridge and War Battle heading the field as the Kent Miller entry at 158 and 156 pounds, respectively.

Bridal Flower has to give from three to 23 pounds to her rivals in the Top Flight, the most formidable of whom appear to be Mill River Stable's Miss Grillo, 123; Mrs. E. D. Shaffer's Be Faithful, 121; Maine Chance Farm's War Date, 117, and George D. Widener's Half After, 113.

The others in the Top Flight—and some of them cannot be entirely ignored—are Arnold Hanger's Sweet Caprice, 113; Joe W. Brown's Dorothy Brown, 110; William Helis' Elpis, 109; C. V. Whitney's Recce, 107; A. G. Vanderbilt's Nomadic, 106; Mrs. W. Plunket Steward's Rytina, 104, and Glen Riddle Farm's Merry Lass, 103.

Double Winner This Season

Bridal Flower, who appears to be the best of the horses acquired by lot after the Col. E. R. Bradley sale, has started twice this year and won both times. Over at Jamaica she got up in the final jump of a six-furlong dash to beat Rytina by a nose, with Recce a distant third. The Daughter of Challenger II.—Big Hurry came back to beat Be Faithful in the first running of the Regret Handicap here at Belmont and at the same distance as the Top Flight. Bridal Flower was only giving Be Faithful one pound in that race and must concede five

Assault and Faultless in Speedy Moves for Suburban and Belmont

Former Goes Nine Furlongs In 1:51, While Calumet Colt Covers Same Route in 1:52

BELMONT PARK, Elmont, L. I., N. Y., May 27.—Several candidates for Friday's $50,000 Suburban Handicap and Saturday's $100,000 Belmont Stakes were on the Belmont strip for their final extended preps this morning. With Better Value to carry him along through the final five furlongs, Assault went a mile and a furlong in 1:51 in handy style. He reeled off fractions of :36 for the first three furlongs, :47⅘ for the half, 1:12⅗ for the six furlongs, and 1:37⅘ for the mile, indicating that the champion still has all his speed and stamina.

Coincidence, who will carry Greentree Stable's colors in the Suburban, went a swift six furlongs in 1:12⅗, after a half in :46⅗. This capable, but erratic middle-distance star also appeared in top form.

Bullet Proof and Tailspin Also Drill

Calumet Farm's Faultless, who looms an odds-on choice for the Belmont Stakes, after his victories in the Preakness and Withers, went a handy mile and a furlong in 1:52 this morning, wearing blinkers and with Doug Dodson in the saddle. The son of Bull Lea—Unerring, went evenly in his trial, with fractions of :24, :47⅘, 1:00, 1:13 and the mile in 1:39⅗. Apparently he won't have to run much faster than that to win the third tier of the "Triple Crown" on Saturday.

Of his rivals, Mrs. Mary Elizabeth Whitney's diminutive Bullet Proof, who managed to beat Faultless in a prep race for the

War Special and Manitowoc Successful In Divided Sprint Offering at Detroit

Beezley Colt Wrests Lead From Tangled Miss During Stretch Run in First Half

FAIR GROUNDS, Detroit, Mich., May 27.—War Special, an invader from the West Coast, who races for Mrs. Earl H. Beezley, turned in a convincing performance, to account for the six-furlong third race, an allowance contest divided and offered as the third and fourth races to provide the best of the early races here today. The divisions were fashioned for three-year-olds, exclusively, and War Special, a non-winner who had started only twice, was slightly more than a length before Leo Caillouette's speedy but unruly Tangled Miss, as that pacemaker led in the favored Delhannah from the stable of W. A. Delaney by two lengths. Willie Swigart, also from the West, rode the winner, who returned $18.80, as he was timed in 1:13⅘, over a track that had become good for this race.

Tangled Miss went into immediate command when the start came and, drawing clear, raced before Delhannah, with Merit next in line before the eventual winner. This order of the leaders was maintained until the early stretch was reached, where Merit was through and War Special moved into third place. Delhannah was asked for speed in an effort to reduce the advantage of Tangled Miss, who was hugging the rail, and the favorite was able to move into closer competition, but Tangled Miss held on stubbornly. At the furlong marker it became evident that War Special was to play a prominent part in the finish, for when roused he unleashed a burst of speed that saw him running over his rivals as the finish line was crossed.

Cloudy weather and a slow track greeted the estimated 9,000 patrons who turned out for the sport and, while the track improved to be rated good for the third race, light showers began to fall as the fourth race was run.

L. J. Hollenbach's Manitowoc toyed with his eight opponents in the second division to lope home with an eight-length advantage over Be Like Polly, who represented Miss B. Rose. Third went to Watch Sonny, from the establishment of C. Williamson, who weakened from futile efforts to overhaul the pace-setting winner and surrendered the place award to Be Like Polly in the final furlong.

Stoutly handled by jockey Willard Cook, C. F. Martin's Hash Brown was hustled up quickly to oust the favored Voyageur from command leaving the backstretch in the first race and then held sway to be two lengths before Voyageur at the end of the six furlongs. Finishing gamely after racing evenly, De Sota was third, just a neck away. The four-year-old winner was coupled in the mutuel field and was scoring her first victory. She paid $22.00.

Fore Caddy Gives Filly Stiff Battle

Victress Proves Hawthorne Repeater in Juvenile Dash; Favored Showdown Is Third

HAWTHORNE, Cicero, Ill., May 27.—Minutes, a quick homebred daughter of Bimelech and Zero Hour, carried Mr. and Mrs. Edward S. Moore's Circle M Farm silks to an impressive triumph here today in the Exterminator Purse. Splendidly ridden by the veteran Willie Garner, the Circle M miss withstood a long drive to reach the end of the five-furlong feature a half length before Gleeson & Litwin's Fore Caddy, who was second by two and one-half lengths before Lexbrook Farm's favored Showdown. Only six juveniles met in the dash, A. H. Burrus' Sway Again, Roy Slomer's Valley Trouble and Woolford Farm's Emphasis following the placed youngsters to the wire in that order.

Minutes, who won her previous start at the Lincoln Fields meeting, stamped herself as a better-than-average filly when she carried her 115-pound burden over the "good" track in 1:02⅕. Second choice in the wagering, the winner was good for $7.40 straight. The Exterminator marked Minutes' third appearance under colors, she having finished second here in her first start behind Vi-Bid.

Sway Again Goes Into Lead

Starter Ruby White sent the small Exterminator band away in good order, and Valley Trouble was first to show in front, with Minutes a close second. Before going three-sixteenths, Sway Again assumed command, and the Burrus colt then made the pace until he was well inside the stretch. Minutes, never farther back from the pacemaker than a length and one-half, began her bid from second position at the final turn.

Sway Again gave way when settled for the drive and Minutes then forged to the lead, while Fore Caddy loomed up menacingly. In a sharp stretch duel, Minutes had a bit the best of Fore Caddy and Showdown, who dropped back after the start but came strongly enough through the stretch to easily earn the short end of the purse. Showdown might have been a keener factor in the Exterminator had he kept to a truer course, the Lexbrook colt swerving repeatedly during the running, in spite of jockey Higley's efforts to keep him straight.

Chilly and threatening weather continued to hamper the racing in this area and the smallest crowd of the current meeting, 8,009 patrons witnessed the program at the West Side course. The track, which has been on the "off" side for the greater portion of the Lincoln Fields season, was no better than good today, but it improved slightly as the day progressed.

Lexbrook Stable's homebred Lutie Jane, four-year-old daughter of Cheick Rama

GREENOCK IMAGE could not keep up early, bore in badly when roused for the drive and could not menace the winner, although easily best of the others. JANE'S ROSE finished determinedly under punishment. GOOD HUNTING held on well to the final furlong, then weakened. UNSHAKABLE failed to rally when roused for the drive. DEJURE was never a serious factor. MEMPHIAN, crowded back after the opening quarter, failed to recover. SHREWD QUEST gave way after engaging MANKCUBOB to the stretch. GALUMPH broke sluggishly. A claim of foul by LEIDA'S rider was not allowed by the stewards. LEIDA, outrun early and on the outside to the stretch, swerved when punished in the drive, was bothered by KING MALCOLM'S rider's whip during the late stages and just missed. SKIP LEVEL, outrun to the final quarter, closed fast under punishment. PHANTOM SON, on the inside and in very close quarters early, came willingly when clear for the drive, but could not threaten the leaders. ABREK weakened after racing prominently to the final furlong. GREAT RIPPLE could not keep up after showing early speed. FAGRANNY was outrun. AS BOLD was done after a half mile. HELEN AGNES quit badly after engaging KING MALCOLM to the stretch. GRAND FELLOW failed to rally when roused for the stretch run. POLONIUS never was dangerous. STIPULATION could not keep up. LADY SEATON was far back throughout. A LA BUD began slowly. KAI LEE, forwardly placed early, stumbled on the stretch turn and failed to recover.

Scratched—230713 Cossack Boy, 113; 228863 Sarah Hash, 113; 23533 Miniver, 113.

Overweight—Lady Seaton, 2½ pounds.

The latter improved his position steadily to the final quarter, came gamely when set down for the drive, but could not overtake MINUTES. SHOWDOWN dropped back after the start, swerved repeatedly during the running and could not threaten the leaders. SWAY AGAIN assumed command early and made the pace to the stretch, then gave way. VALLEY TROUBLE began fast, then lost ground steadily. EMPHASIS, on the outside, failed to stay after showing brief speed.

WENT TO POST—4:36. OFF AT 4:36½ CENTRAL DAYLIGHT TIME.

Start good from stall gate. Won driving; second and third the same. COOLING SPRING, slow to begin and outrun to the stretch, came to the outside for the drive and, responding to brisk urging, wore down the leaders in the last sixteenth to win going away. SUGAR LUMP, forwardly placed after the opening quarter, was bothered during the stretch run when BOSAGE went lame, came again when clear, but could not menace the winner. BREATH TAKER, in close quarters to the last three-eighths, finished fast under punishment. FOSS BARKER went to the front early, made the pace until near the finish, then faltered. BOSAGE was racing prominently in the stretch when she went lame and bothered SUGAR LUMP when she dropped back. SET IN had a rough trip. ATLANTIC CITY tired. OLIDOR, knocked back at the upper turn, failed to recover. MARTHARINE had early speed. SERGEANT BILL never was a serious factor.

and Manella, graduated from the maiden ranks when she accounted for the six and one-half furlongs Pennant Purse. Jockey Jess Higley handled the mare and rounded out a saddle double astride the Lexbrook filly.

Lutie Jane came fast through the stretch under brisk urging and defeated Woolford Farm's Conformable by a neck margin as the latter garnered place honors by a like distance before Nicolas Marsch's well-regarded Track Ace, who made the pace for the greater part of the trip. Emil Denemark, Jr's, Sarge Bud was an even-going fourth in the field of 12 three-and-four-year-olds meeting in the test.

Favored in the speculation, Lutie Jane was one of the more popular winners of the day and she was held at 2½-to-1. Running time for the Pennant was 1:23⅕.

Hornpipe in Front Throughout Sprint

Blue Border Is Beaten Neck To Become Fourth Odds-On Favorite in Row to Lose

BELMONT PARK, Elmont, L. I., N. Y., May 27.—Glen Riddle Farm's Hornpipe led throughout the featured Ballot Handicap at Belmont Park today, reaching the end of the six furlongs a neck before Greentree Stable's Blue Border, the odds-on choice. Blue Border was the fourth straight odds-on favorite to fail the majority of the 23,021 that passed through the turnstiles, Darjeeling, Blunt Remark and the Brookmeade Stable entry of Inseperable and Chains having been backed to less than even money in the preceding races. Like Blue Border, Darjeeling and Inseperable finished second, while Blunt Remark landed such show money as there was in the fourth race.

C. V. Whitney's Bastogne finished third in the Ballot, three lengths back of the runner-up and a length and a half before Wheatley Stable's Keynote, who completed the small field. Though he had won three of his last five starts and had only 106 pounds to carry against 123 on Blue Border, Hornpipe paid $8.10 after running the distance in 1:11⅘.

Keynote was first out of the stalls in the Ballot, but was quickly passed by Hornpipe, who was hustled up by Bobby Permane along the inside rail. Bastogne was third away and Blue Border left the gate slowly and, with Atkinson apparently taking up as though the horse had stumbled, the favorite was rushed up on the outside and was in second place rounding the far turn, apparently having the race at his mercy, but Hornpipe had something left and came into the stretch more than a length to the fore.

Runner-Up Gaining With Every Stride

As the leaders straightened away for the run down the home lane, Hornpipe drifted out slightly and Atkinson cut sharply to the inside with Blue Border, who was gaining with every stride, but just could not get up in time. Bastotgne ran an even race for his share, while Keynote, as usual, stopped badly.

Greentree's Star Bout outfinished Brookmeade Stable's Inseperable to capture the Seaford Purse that preceded the feature, drawing away. A. G. Vanderbilt's Newsweekly, who was bumped by Inseperable a stride or two after the start, was a distant third before C. V. Whitney's Mackinaw, who also lugged to his left during the run down the straightaway. Star Bout was ridden by Ted Atkinson and paid $11.80 after running five furlongs in the good time of :57⅘. John C. Clark's Vortex cast himself in the starting gate and was ordered withdrawn, all wagers on the colt being refunded.

Bayard Sharp's Tide Rips earned his chance to start in the $100,000 Belmont Stakes on Saturday when he scored his second straight victory by breezing home two lengths before Frank Frankel's Flashco in the Lazzarone Purse that followed the feature. King Ranch's Contest, who was also considered a Belmont possibility, virtually eliminated himself from Saturday's stake by finishing a tiring third, a length back of Flashco and four lengths before W. Goadby Loew's Parhelion. Tide Rips ran the mile and a sixteenth in the fair time of 1:44⅖, then went on to work out a mile and a quarter in 2:05⅕. Heavily favored on the strength of his last clever victory here, Tide Rips paid $5.00. Charley Givens, who was in the saddle today, has drawn the mount in the Belmont Stakes.

The Passing of Seabiscuit

By SALVATOR

We will never forget either the first or the last sight of Seabiscuit that fell to our portion.

The first occasion was on the afternoon of a great handicap for which he was a 9 to 10 favorite with an immense crowd which swarmed into the paddock to get a close-up of him just before the race. He was saddled in the open, under the trees, and then was walked back and forth by his groom until it came time to enter the walking-ring.

So great was the curiosity and the anxiety to see him that the pressure of the throng scarcely left him room to make the small circuit around which he was walking. Several others of the candidates were also being led about nearby or else stood saddled waiting for the signal—and, without exception, they were given plenty of room, which, in some cases, was required, as they were restive, fretful and some times "acted up," causing a scurrying about among the onlookers and little feminine screams from the fair ones among them.

As for Seabiscuit, pent in as he was by pushing, heaving walls of humanity, he paid no attention to them whatever, but walked quietly and unperturbedly back and forth, with an equanimity that was unruffled.

Gazed Upon Human Horde

Repeatedly bystanders of the innermost segment would reach out their hands as he passed them and lightly touch his glossy body, behind the saddle or upon his haunches—to which he paid not the slightest attention. Occasionally he lifted his beautiful head slightly and gazed for an instant upon the human horde that pent him in, then dropped it again as if too preoccupied with what he knew was coming when the bugle blew to have a thought for anything but that.

The day was brilliant overhead—but a heavy rain had left the track like a quagmire—and, as is well known, Seabiscuit was not a "mudder." He was very rarely started over an "off" track, as it was equivalent to an invitation for defeat. That proved true this time. He had been assigned the heavy impost of 130 pounds and while, as usual, he gave his best, he was obliged to lower his colors to a horse of vastly inferior class that had gotten in at but 107 pounds. It was one of those results with which nobody is pleased except the very small body of patrons that for various reasons bought tickets on the longshot that "went over," and, with their exception, was received with chilly silence by the crowd.

Our last sight of Seabiscuit was on the afternoon of his most sensational victory—when, at Pimlico, he defeated War Admiral in the match race that will remain historic as long as American turf history is written. It was also his farewell to the East, as subsequently he started only at Santa Anita. Though the November sun shone brightly, the air was autumnal and a topcoat felt comfortable.

War Admiral at to 4

This time he was not the favorite, the Admiral being at the tremendously short odds of 1 to 4, and "the 'Biscuit" at 11 to 5. So packed and jammed was "Old Hilltop" that it was necessary for a policeman to convoy us down into the paddock beneath the stand and even then it was like fighting one's way through the crowd.

The paddock itself was similarly jammed, and as he and the Admiral walked around and around its tan-bark circle, they had to thread their way through a dense mass of men and women, which at times their grooms had literally to push out of the way in order to keep moving. The Admiral, much more temperamental than Seabiscuit, behaved, just the same, in exemplary fashion, while the latter was just his same self-contained and imperturable veteran. It had seemed to us that War Admiral had the edge on his rival—until we saw them "face to face," when our feelings underwent one of those automatic revulsions that often occur at such crises. To put it bluntly, Seabiscuit looked ready to race for a man's life—War Admiral, thin, drawn and fragile.

The drama of the race, which opened with the thrilling getaway, in which Woolf so consummately outmaneuvered Kurtsinger and thereby stole the victory in about three seconds and 100 yards, was as unexpected in its take-off as in its denouement and can never fade from the memories of the 40,000 people that beheld it.

As we have said, unknowingly to them at the time, this was their last sight of Seabiscuit for eastern racegoers. He departed from among them, literally in a "blaze of glory"—an exit in every way appropriate and one which a host of "cracks," if they should "speak their minds," would ask: "Why could not we have had one like it, instead of being hacked about until we were wrecks ourselves in the vain hope of a few more dollars being squeezed out of us?"

Never Saw Seabiscuit Again

Though we never saw Seabiscuit again, each Christmas brought us, with his compliments, his "counterfeit presentment," sometimes with his little family about him, sometimes with Mrs. Howard mounted upon upon his back for a ride over the California hills, some times just by himself. This last Christmas such was the case—the photographer had posed him "en profile," almost "en silhouette," and the result was striking, not only from the artistic standpoint, but because it brought out so vividly his essentially Arabian individuality, his faultless outline and proportion, the symmetry and beauty that were, one might say, flawless throughout his ensemble at every point.

"And where does Seabiscuit rank among America's great racers?" the reader might inquire.

To which only our individual opinion can be offered as reply.

Seabiscuit, we believe to have been of the few truly and greatly great thoroughbreds that America thus far has produced.

A castoff and a discard, so abused in his two-year-old form as to leave his underpinning always shaky, he rose to the very topmost rung of the ladder by his sheer ability to rise to the occasion when the occasion demanded all that a great horse can greatly give.

Well may his statue stand at Santa Ainta in everlasting bronze and well may those who behold it pause in silent homage. Death may have claimed him with unseemly haste—but immortality remains his portion.

Assault, Faultless Show High Speed in Belmont Park Trials

Continued from Page One

Flamingo Stakes last winter, went an easy mile in 1:45. This colt just arrived from Maryland yesterday.

Greentree Stable's Tailspin, surprise winner of last Saturday's Peter Pan Handicap, was sent a mile and a quarter in 2:07⅗, working alone. His fractions were :49⅖, 1:14⅘, 1:40⅖, 1:53⅖. It was a good trial and suggests that the son of Blenheim II.—Tangled may be a serious factor in Saturday's classic, despite the 17 additional pounds he must carry.

Khyber Pass, who will be coupled with Phalanx as the C. V. Whitney entry, also went a mile and a quarter. He was timed in 2:08, and appeared to be tiring slightly at the end, which is not very important, as his role in the mile and a half event is primarily to cut out a fast pace for Phalanx.

Tiger Rebel Given Top Assignment for La Salle

Pot o' Luck Declared Out of Lincoln's Week-End Handicap

HAWTHORNE, Cicero, Ill., May 27.—Tigel Rebel, Brent & Talbot's stakes-winning five-year-old son of Tiger and Suellen, has been assigned topweight of 124 pounds for the tenth running of the $10,000 La Salle Handicap, next Saturday's Lincoln Fields feature. Tigel Rebel, victor in nine engagements last year, one of which was the $25,000 Churchill Downs Special, recently arrived here with the John M. Goode public stable.

John Marsch's Mighty Story drew 123 pounds for the La Salle, while Mrs. John S. Letellier's Jack S. L., victor in the Clark Handicap at Churchill Downs and the Crete Handicap here on inaugural day, gets in the one mile and three-sixteenths week-end headliner under 122 pounds.

Due to the fact that Calumet Farm's Pot o' Luck has not progressed far enough in his training to accept such a rugged test as the La Salle, trainer Ben A. Jones declared his charge from the Saturday stake. Pot o' Luck, winner of several Florida engagements and also Keeneland's Ben Ali Handicap, injured a hoof in the Clark Handicap and his conditioning was necessarily interrupted.

The complete list of nominees and weights for the La Salle follow:

Blue Train May Not Start

LONDON, England, May 27.—(Reuters)—Trainer Fred Darling stated today the King's horse, Blue Train, may not run in the Derby on June 7 if the going is hard. "He is a heavy horse and I would not like to run him if the going is not suitable." Blue Train was the third favorite at the last call-over.

Joenace Star Has 117-Pound Impost

To Concede Bubbling Easy, Sandslinger and Bull Play Weight at Hawthorne Oval

HAWTHORNE, Cicero, Ill., May 27.—The Bien Fait Handicap, six-furlong sprint for three-year-olds and upward, is to headline an attractive mid-week program tomorrow at this rambling and historic racing grounds. The feature attraction drew 11 entrants and shapes up as one of the better shorter-distance offerings of the current Lincoln Fields meeting. Other than the Bien Fait, racing secretary and handicapper Lawrence C. Bogenschutz arranged some excellent supporting events, chief of which are the Princeton Purse, six furlongs for three-year-olds, and the First of All Purse, a one and one-sixteenth mile test for thoroughbreds from the same age division.

Juke Box, Joenace Stable's six-year-old gelded son of Maedic and Lina Clark, drew top weight for the Bien Fait and will shoulder 117 pounds. Victor in eight of his 20 engagements last year, Juke Box, a versatile performer, won on all types of tracks, fast to heavy. During the latter part of his 1946 campaign, Juke Box visited the winner's circle at Sportsman's Park on five straight occasions. The Joenace star won but one race thus far this season, but he is in good shape and breezed a half-mile this morning over the nearby Sportsman's Park strip in :52⅗, going quite easily over the fast footing.

Quick Daughter of Ted Easy

D. C. Wilhelm is to be represented in tomorrow's headliner by his consistent Bubbling Easy, who is assigned 114 pounds. Bubbling Easy, quick daughter of Ted Easy and Bubbling Sixty, defeated a crack field here one week ago in the Holly Leaves Purse, such useful mares and fillies as Chapel Bells, May Fly, Enchanting, and Mrs. Valenti following her to the wire in the six-furlong dash. Previous to that outing, the Wilhelm miss won four of her seven 1946 starts. Shouldering 119 pounds in the Holly Leaves, Bubbling Easy gave a commendable performance and she is rated quite dangerous in the Bien Fait.

The very successful Shady Brook Farm Stable, maintained by Theodore E. Mueller of Louisville and trained by Harold White, is to depend on Sandslinger in the feature. Sandslinger is to take up 112 pounds, and he recently defeated a top field in the three-quarter Blue Delight Handicap while carrying 111½ pounds. Walter W. Jones' hard-hitting Bull Play, who holds a decision over Jack S. L. this year, finished second to Sandslinger in the Blue Delight, and the pair is to renew its duel in the Bien Fait.

Completing the probable starting band for the Bien Fait are Mrs. A. M. Creech's Cid Play, 106 pounds, and Mrs. Reid Luginbuel's Sugar Beet, 108, which pair is to be saddled by Bennett Creech; Benjamin Fogelson's Petsome, 110, and Willis E., 108; Clyde Troutt's Take Wing, 112; Mr. and Mrs. G. B. Scallon's Buck Rake, 102, and Mrs. V. Guercia and Mrs. J. Ruttner's Invercork, 107 pounds. Invercork recently won the Drury Lane Purse here, Petsome is a very useful filly, Take Wing has a touch of class and is a former stakes winner, while Sugar Beet and Cid Play have been working satisfactorily

Strong Denemark Entry

The Princeton, which is the fifth race on the Wednesday card, drew 10 three-year-olds, and Mrs. Emil Denemark's entry, Bullish and Last Stride, may come in for the major share of public support. The Denemark entry will be opposed by such formidable performers as Circle M Farm's Seaton Pippin, Thomas Piatt's home-bred Evident, and the Foursome Stable's Collaborate and Convalescent, among others. Bellbrook, Busy Pony, Liteco, and the quick Big Wig, complete the field.

The First of All field does not boast of too much class, but the three-year-olds engaged appear evenly matched and good sport should result. Included in the group of nine possible starters are W. A. Moore, Casa Libre, Hay Voy, Hasty Sun, Flying Ben, Phil Town, the improved Chicle Red, Big A., and Bowstring. Phil Town, Hasty Sun and Chicle Red may draw the bulk of the play in the supporting event.

Tzaritsa, Keep Moving Annex Seashore Dashes

Both Register by Good Margins In Oceanic, Beachcomber Purses

ATLANTIC CITY, Mays Landing, N. J., May 27.—Co-features of the off-day card at Atlantic City today were the Oceanic and the Beachcomber Purses, a pair of sprints for three-year-olds that carried identical conditions and that were each worth $3,500. Both of these races—fifth and sixth on the program—fell to visitors who raced recently in New York. Tzaritsa, from the Marlet Stable, was the best by a couple of lengths margin in the Oceanic, defeating the warmly fancied Pompeian, and Keep Moving, an On Watch colt carrying the colors of John Truett, was an even easier winner of the Beachcomber, a dash in which he closed at 6 to 5, and then proceeded to justify the confidence of his backers every step of the six-furlong trip, which he covered in 1:12⅕. Ovie Scurlock rode Tzaritsa to her clever score, and the capable Maryland reinsman, R. J. Martin, was astride Keep Moving, and, if the pun can be excused, that is literally all he had to do to win.

Both Tzaritsa and Keep Moving were prominent factors from the start in the twin features, but Tzaritsa was on the head end for the full three-quarters, setting a fairly rapid pace, and then resisting the challenge of Pompeian and Foretell, who closed some ground in the stretch, with something to spare.

File Demurrer to James Suit

LOS ANGELES, Calif., May 27.—A demurrer to the suit brought by Miss Betty Grable and her husband, Harry James, was filed Saturday in Superior Court here by C. H. Jones & Sons, of Long Beach, Calif. The film pair in their suit had requested $65,000 damages, plus $3,000 court costs, but they said they would return the horses and dismiss the suit if the Joneses return the $105,000 purchase price, and in addition, pay $3,000 for the care of the thoroughbreds. In the demurrer the Joneses allege the film star and her band leader husband did not specify when the broken bone in the foot of Poco Mas, one of the horses, was discovered, or any cause of action for fraud or breach of warranty.

Harrison Case Again Continued by Board

To Serve Additional Subpoena In Time for Next Meeting

The case of William B. Harrison, which was continued over from a previous date, again was taken up at yesterday's meeting of the Illinois Racing Board. Harrison, who was denied a trainer's license by the license committee, is seeking to have his application approved. Grounds for denial of a license were based on his alleged connection with a "touting" letter in which the name "Paul Connors" was used. The case again was continued to permit further subpoenaing of employes of the Lincoln Hotel, where Harrison resides.

At yesterday's session, George Lymagh, room clerk, who is on duty from 3:00 p. m. to 11:00 p. m., and Miss Ida Freiden, relief switchboard operator at the Lincoln, both testified that they had never seen A. F. Wells, special investigator for the Thoroughbred Racing Protective Bureau, Inc., who worked on the case and who confronted Harrison at the Lincoln Hotel. Wells was unable to say for certain that Lymagh was the person on duty at the desk when he made inquiry in the case.

The Board asked that Harrison submit to a lie detector test, which he had volunteered at the previous meeting. Mr. Marion Beck, another room clerk, who had been subpoenaed, but who was unable to appear because of a sprained ankle, will be asked to appear when the case is taken up again, as well as Mr. Whiting, assistant manager of the hotel.

Attorney Joseph Lustfield represented Harrison.

That part of the meeting intended to bring together a committee of the Horsemen's Benevolent and Protective Association and one representing the Grooms and Exercise Riders Association for a discussion of demands of the latter group also was put over until the next meeting so as to allow Larry Thompson, vice-president of the central division of the HBPA, to be present.

The Board also approved the running of a ninth race on Saturdays and holidays at Fairmount for various benefit agencies, providing track officials get clearance from the Internal Revenue Department. The secretary was told to inform Billie Thompson, who seeks reinstatement, to file a petition in the regular manner, setting forth any new evidence he has to offer.

Bonds for both the Arlington Park and Fairmount Park meetings were approved.

Present at yesterday's meeting were Ednyfed H. Williams, chairman, and Frank E. Mandel, member, Clement A. Nance, secretary, and William Colohan, assistant attorney general and attorney for the Board.

The latter was a forward factor throughout while on the outside, raced closest to the pace after a quarter and just failed to hold RIVER PLAY safe. LINDA LEA appeared to lug in slightly during the early stages and rallied mildly in the final quarter. MY BUTTERFLY was well placed to the stretch, then weakened.

Winner—Ch. m, by Reigh Count—Four Mile Maid, by Chatterton, trained by J. E. Poellien; bred by Maurice S. Miller.

WENT TO POST—5:27½. OFF AT 5:28 CENTRAL DAYLIGHT TIME.

Start good from stall gate. Won easily; second and third driving. FERGIE'S MAID went into command early, established a clear lead before reaching the stretch, then drew out to win with something left. DIZZY HEIGHTS, a keen factor throughout, drifted out during the drive, could not menace the winner, but lasted to withstand WOODSMAN. The latter, never far back to the stretch, closed willingly under punishment. PURE BRIAR, sent to the inside for the drive, could not reach the leaders. CORYDON was away slowly. GIANT DRIFT tired. GAINER was outrun. GIN AND IT was far back throughout. WOBBLE PUMP gave way after racing prominently to the stretch. HICKORY JIM, in close quarters after the start, was taken up sharply, failed to recover thereafter and was eased during the late stages.

Scratched—23317 Vinita Marshal, 111; 23251 Random Breeze, 116; 23317 Port Wine, 116; 23251 Specialized, 115.

Attendance, 11,947; Total Mutuel Pool, $743,233.

El Lobo Runs Three-Quarters In 1:10 in Return to Races

HOLLYWOOD PARK, Inglewood, Calif., May 27.—Stuart Hamblein's El Lobo, making his first start since the Santa Anita season, returned to competition auspiciously as he raced to victory in the $25,000 Premiere Handicap before 45,393 cheering fans as the Hollywood Turf Club's summer season of 50 days got under way Saturday. El Lobo, winner at the Arcadia course of the San Antonio Handicap, ran the three-quarters of a mile in Saturday's engagement in 1:10, a fifth of a second off the track record, and won by a length from Neil S. McCarthy's Be Sure Now, as W. D. Rorex' Texas Sandman swept into third position.

The Premiere topped a splendid program. The fans poured $2,224,493 through the pari-mutuel machines.

The latter, under steadying restraint to the far turn, moved steadily to draw close to the leader, then hung. GLORIOUS SEC held on gamely after forcing the pace. JOE'S MISTAKE, outrun to the final furlong, closed stoutly on the inside. SON'S FOONERY improved position gradually, but was not good enough. ENSIGN MARY B. retired steadily after six furlongs. SKIPPER Z. was unable to keep up. ROCKY TRAIL was allowed to drop far out of contention and showed nothing. ROYAL WING stumbled entering the backstretch, nearly unseating rider.

MAGNESIUM moved into contention with a rush, came between horses for the drive, but was not good enough. MARCO B. GOOD, forwardly placed, flattened under pressure. Exercise Rider L. De Grazia Injured in Randall Spill

RANDALL PARK, North Randall, Ohio, May 27.—Although not in a critical condition, exercise boy Lewis De Grazia suffered injury when thrown this morning while exercising Gilt Edge, who races for Mr. and Mrs. C. Gabel and is trained by Mrs. Audrey Gabel. The 21-year-old native of New York City was removed to the nearby Bedford Hospital, and examination revealed he had sustained a fractured jaw in two spots and partial severance of his left ear.

The horse is understood to have ducked while rounding the far bend and in so doing pitched his rider. The lad had been exercising horses for some time.

Camera Nears World-Wide Use
Thoroughbred Price Drop Seen
Finney Offers Wise Solution
Another Hollywood Goose Girl

HOLLYWOOD PARK, Inglewood, Calif., May 27.—Bogert Rogers, of the Photo-Chart company, reveals that within the next month, the American camera will be in worldwide use. Negotiations are now nearing completion to install the device at Calcutta and Bombay, which will be about the last word in far-flung locales. The camera is particularly popular in South America, being currently used at the Hipodromo Nacional in Caracas, Venezuela, the tracks at Santiago and Valparaiso, Chile, and installations now are being made at the Palermo and San Ysidro tracks in Buenos Aires. South Africa is represented at courses near Johannesburg and Durban. Rogers reveals that during the worldwide tour of his sales representatives, the three American tracks best known are Belmont Park, Saratoga and Santa Anita. Which should give some comfort to the public relations job of Bob Kelley, of the New York racing associations, and Fred Purner, who toots the trumpet for Santa Anita in the winter and Lake Arrowhead of a summer. Rogers has evinced a growing concern over the human element involved in the placing of horses, as witnessed at Portland Meadows (Oregon) last summer and from time to time variations from the photos at other tracks. To overcome this, he is working out a deal with Lloyds of London to insure tracks against this error. In all instances where such errors have been made, the tracks have, without exception, paid off on both horses, in some instances at great financial loss. The insurance would make everybody happy. The "tote" people long have insured the tracks against mechanical errors, but never against the mistake, for instance, of a calculator.

A careful survey made in Kentucky, Maryland, New York and, finally, here in California, indicates that 95 per cent of the well-informed turfmen believe the value of thoroughbreds is in for a 10 per cent drop on everything but stake horses. The price on horses capable of winning stakes may even rise slightly, according to the experts, but they look for a decided drop in the value of the cheaper, or claiming variety, of thoroughbred. Of course, there will be no answer until the Keeneland sales in Kentucky, and the California Breeders' sale in mid-July here on the West Coast. But the evidence is mounting. In Kentucky, private sales of horses are the slowest in years. In New York, at least three trainers who annually weed out their racing stock for breeding owners, confided they are running horses about $2,000 less than they would have last year, anticipating the market this fall. By offering their horses for claiming at apparently and, in fact, currently bargain prices, they are, in fact, insuring the disposition of their horses at what they think will be a good price this fall.

▲ ▲ ▲

While it is true that purses and stakes are holding up remarkably well in view of somewhat unsettled conditions in some other businesses, taken as a bell weather of the American racing economy, Humphrey Finney, one of the wiser horse thinkers of Maryland, and secretary and field director of the Maryland Breeders Association, told this writer recently that the discrepency in price between good horse and cheap horse appeared a certainty, regardless of the purses. He points out that the number of foals in Marynand, to use but one example, is rising sharply from year to year. Yet the racing opportunities remain about constant in the area where the Maryland rank and file produce is must apt to campaign, i. e., in the Maryland, Delaware and New Jersey sector. The cheaper horses will, of necessity, find the winner's circle harder to find, and with racing opportunities limited, will find their price tags reacting accordingly. Finney has a solution, which for the industry would be a wise one, but for most individuals is not a particularly happy one. The solution is simply this—breed the best more and more to the best, and as for the worst, do not breed for racing at all. If one must breed to the worst, dispose of the produce to outlets other than the race course. It might be mentioned in passing, that Kentucky appears to hold the strongest redoubt against dropping prices, because much of the good blood in America is concentrated there under ideal breeding conditions. But the Kentucky market is racing one factor which will make it perhaps conform to the national trend, that being the slow growth of restrictive laws, namely, homebred races favored, in more and more localities.

Ever since Hollywood Park opened, one of the most striking features of the many adornments of the property has been the presence in the infield of the "goose girl." The goose girl is supposed to tend the flocks of ducks, swans and geese which clutter up the lakes no end, but, in fact, she is there for decorative purposes only. The goose girl is chosen by a group of Hollywood photographers, and the resultant publicity has gained some of those chosen a chance in the films. But most of them have gotten married and foregone a career before the kleig lights. The 1947 model of the goose girl, who was given a round of applause when she walked into the infield on opening day, is Ginger Marsh, a 19-year-old Inglewood beauty.

Asked to Concede Stymie and Basileus II. Four Pounds each

BELMONT PARK, Elmont, L. I., N. Y., May 27.—King Ranch's Assault, winner of the Grey Lag and Dixie Handicaps this year and "Horse of the Year" in 1946, heads the Memorial Day renewal of the $50,000 Suburban Handicap with 130 pounds. The son of Bold Venture is asked to concede four pounds to Isidore Bieber's Basileus II., and Mrs. Ethel D. Jacobs' Stymie, with the latter a virtually certain starter. Walter M. Other possibilities in the Suburban include Mill River Stable's Miss Grillo, 115; Joe W. Brown's Brown Mogul, 112; Richard N. Ryan's Talon, a stablemate of Rico Monte, 112; Harry LaMontagne's Larky Day and Lapomme Stud's Vertigo II., 107 each.

Bill Approved in Bay State To Foster New Race Tracks

BOSTON, Mass., May 27.—A bill that would permit exceptions to the law prohibiting establishment of running horse race tracks within 50 miles of each other was approved by the State Senate on a voice vote without debate. The measure would amend the present law by limiting the 50-mile rule to tracks one mile in circumference.

Senator Edward M. Rowe (R.), Cambridge, chairman of the legal affairs committee, which favored the bill, said it was intended to permit construction of smaller tracks which would encourage the owning and breeding of horses in Massachusetts.

Sponsor of the bill is Charles F. Martin, of North Attleboro, newspaper publisher and owner of the C. F. Marlin Stable. He is a brother of Joseph W. Martin, Jr., speaker of the House in Congress.

At present, Suffolk Downs is the only running horse track in the state and is allotted 60 of the 90 days authorized by law.

The Senate also approved a bill to permit new tracks to operate without totalizators, provided they can not be obtained.

Chappell Leases Acreage

BELMONT PARK, Elmont, L. I., N. Y., May 27.—Dan Chappell, Miami attorney and co-owner of the Sunshine Stable, leased 35 acres, part of the Brookdale Farm, containing 10 stalls and use of the one mile track on the property from R. Webster.

Grant Harness Racing Permit

BOSTON, Mass., May 27.—A conditional license has been granted by the Massachusetts Racing Commission for harness racing to the Bay State Harness Racing and Breeding Association, Inc. The license allows for the sport to be conducted from 7 p. m. to 12 midnight on a proposed site in Foxboro, Mass., from Sept. 1 to Sept. 29, inclusive. However, the license will not be issued until the construction work for the entire plant has been completed in a manner satisfactory to the state racing commission.

De Stefano Has Added Strut

SUFFOLK DOWNS, East Boston, Mass., May 27.—Raymond De Stefano, popular jockey agent, has an added strut these days while booking mounts for his riders at Suffolk Downs. Ray, a pal of film comedian Lou Costello in their boyhood days in Paterson, N. J., finally won a rhumba contest at a Boston night club recently. After having finished in the runner-up spot in three previous attempts, De Stefano finally entered the "winner's circle," although his co-workers maintain he was "shooed in."

Van Zandt Foresees Good Field for Williams Event

Chipamink May Be Accompanied By Jezrahel in Fairmount Race

FAIRMOUNT PARK, Collinsville, Ill., May 27.—Fairmount Park racing secretary and handicapper, Henderson Van Zandt, upon his return from the Hipodromo de las Americas, in Mexico City, stated that he has an excellent field in prospect for the $2,000 Ednyfed H. Williams Handicap, inaugural day feature on Friday, May 30.

Never in the history of the Fairmount Park Jockey Club has there been such an abundance of horses, with quality the predominating factor. Over 500 head are already stabled here, and a capacity of over 600 horses will be on hand with the beginning of the 32-day spring meeting, according to Arthur Eilerman, who is handling the stall reservations.

Track superintendent John LeBlanc has the racing strip lightning fast, and many trainers have stated their intentions to enter their charges in the six-furlong E. Williams Handicap, which is named in honor of the Illinois State Racing Board chairman, who will be the guest of honor to witness this, the second running of the event.

Expected in the line-up is the outstanding sprinter, Chipamink, who will be racing for the first time in the interest of his new owner, E. H. Moody. The Texas horseman purchased the speedy son of Peanuts last winter at New Orleans from the Silver Star Stock Farm. Chipamink, if he goes postward, will almost certainly carry top weight with his stablemate, Jezrahel, who was also bought by Moody last winter from Tom H. Heard, Jr. Jezrahel two years ago was one of the top handicap sprinters in the country, but developed leg trouble which placed him on the sidelines until last winter at the Fair Grounds. In his few races there, he unfortunately displayed only a shade of his former speed and gameness.

Other sprinters that are probable starters include James Holman's Irish Wash, J. F. Beck's Blue Mountain, G. M. Johns' Coolite, Mr. and Mrs. E. B. Shipp's Tony G. and Pipeliner, Myrtle Maroon Stable's Shuckin's, Gordon Watkins' Cudiddle, Rancho Oro de Augua's Indian Watch, and Felix J. De Mary's Gold Regnant.

W. Stuart Hunter Fatally Injured in Auto Accident

ATLANTIC CITY, Mays Landing, N. J., May 27.—W. Stuart Hunter, well known in breeding and racing circles, was fatally injured in an automobile accident near Lexington, Ky., late Friday, according to word received here by judge Samuel C. Nuckols, steward for the local association. Hunter was killed when a truck crashed into the car in which he, along with members of his family and friends, were seated. The Hunter car had stopped on the edge of the highway in a dense fog. Mr. Hunter was the only casualty, although the car was wrecked, the report said.

Mr. Hunter, who at one time was associated with the Fasig-Tipton Company, for many years was secretary to the late Johnson N. Camden, United States Senator from Kentucky and a leading breeder and owner of thoroughbreds. He also served under the Kentucky State Racing Commission as supervisor of pari-mutuel betting in that state.

Services for Perry Belmont

BELMONT PARK, Elmont, L. I., N. Y., May 27.—Funeral services will be held for Perry Belmont at St. Mary's Home and Catholic Church in Newport tomorrow morning at 10 o'clock. Mr. Belmont, who died yesterday at the age of 96, had retired from racing 35 years ago, when the sport was temporarily banned in New York State, and few of his contemporaries are still active on the turf, and those who are, are not in sufficiently good health to permit them to make the trip to Rhode Island to attend the rites for the founding member of The Jockey Club, United Hunts Racing Association and Turf and Field Club.

Officials for Arlington Meet Approved by Board

Steele, Gormley to Move Into Stewards' Stand This Season

Several changes in the officials who will serve at the Arlington Park 36-day meeting beginning June 16, are noted in the list approved by the Illinois Racing Board at its meeting here yesterday. Moving into the stewards' stand for the first time are C. J. Gormley, Jr., and Thomas Steele. They will serve along with the veterans, William A. Hamilton, representing the Racing Board; George Foster, Barry Whitehead and S. L. James. William R. Dahlstrom, who served in the stand in previous seasons, is confining his work to the eastern racing circuit this season and will not be back. Last season Steele served as paddock steward, while Gormley was a placing judge.

Placing judges will be Robert P. McAuliffe, William A. Reagan and Vasco Parke, the latter moving into this position for the first time.

Fred Burton again will be racing secretary and handicapper, Roy Dickerson will be in the starting stand, William Cunningham will be timer, and William J. Shelley, clerk of scales. D. P. Stevens again will be in charge of the totalisator department.

The Board also approved the change in the officials originally approved for the Lincoln Fields meeting, permitting Linus Pierce a leave of absence from his post as patrol judge with Robert P. McAuliffe taking over.

Maryland Tracks Hit By Unseasonable Weather

Attendance and Play Held Up Well During 48 Days, However

HAVRE DE GRACE, Md., May 27.—Weather conditions throughout the Maryland spring racing season were a bit unseasonal, to say the least, but, despite the fact that an "off" track prevailed for many of the programs, attendance and wagering held up extremely well during the 48-day span.

The hardest-hit of the Maryland courses, as far as inclement weather and an "off" track were concerned, was Havre de Grace, where the Harford Agricultural and Breeders' Association presented two meetings, taking in its entire 25-day allotment. During the period of racing on the banks of the Susquehanna, a total of 14 programs were presented over an "off" racing strip, which should constitute some sort of a record.

During the first meeting at Havre de Grace, a total of $11,149,290 passed through mutuel manager E. I. "Jim" Langford's machines, for a daily average of $929,107. This figure compares favorably with the $986,997 compiled during the 1946 season. However, the 1947 average was brought down considerably when, during the first 12 days of the second session, only an $878,880 average could be maintained. During each of Havre de Grace's meetings this spring the attendance has been especially good. The natural assumption in this case would be that the $5 bettors are now confining their activity to the $2 windows.

While the Havre de Grace racing surface was in an "off" condition the majority of the time, it was lightning fast on the other afternoons, with new track standards being established at nearly every distance at which races were run.

Pimlico's 12-day meeting was spared much of the cold and wet weather this spring, with the result than an oft-prevalent fast track served to encourage wagering. As a matter of fact, Pimlico's meeting was the only one able to maintain a million-dollar average, the mark being $1,108,375. Pimlico was also the only track in Maryland with a two-million-dollar day, that mark being established on Preakness day, when $2,180,336 was handled by Mort Mahony's crew.

Bowie's meeting, while generally regarded as very successful, also saw a noticable decrease in wagering, with a drop of more than $100,000 in the daily average. The 1946 average for the 25 days was $963,891, as compared to $846,585 this spring.

Cassis Joins Stallion Ranks At Sheas' Merryland Farm

HAVRE DE GRACE, Md., May 27.—Maryland's ever-growing supply of breeding stock was greatly augmented over the week-end when Mrs. Danny Shea, mistress of Merryland Farm, announced that Deering Howe's Cassis would be shipped to that establishment to do stud duty. Cassis, an eight-year-old son of Bull Dog — Gay Knightess, has been one of America's top sprinters for the past five seasons, and joins the stallions, Mr. Bones and Peace Chance, at the Shea farm.

During his six years of campaigning under trainer Preston Burch, Cassis won 20 races, to earn $101,382. The record of the Virginia-bred Cassis includes victories in the Christiana Stakes at Delaware Park, the Benjamin Franklin, Princeton and Valley Forge at Garden State, and the Roseben, Vosburgh, and the Fall Highweight in New York.

Fire Destroys Hay Barn

MANHASSET, N. Y., May 27.—A large hay barn on the Greentree estate of John Hay Whitney, near here, was completely destroyed by fire Saturday night. No estimate was given of the damage. The efforts of the Manhasset-Lakeville fire department, under the direction of Chief Chester Chicoski, prevented the flames from spreading to other structures.

Atlantic City Becoming Beautiful Course
Polynesian Totes Package to Victory
Saggy Has Won Five Straight Races
Assault Faces Tough Task in Suburban

NEW YORK, N. Y., May 27.

We journeyed down to Atlantic City on Monday and scarcely could believe our eyes at the many improvements that have taken place there and were accomplished without the use of building material of any description. The lake in the infield has been enlarged and there is now a turf course within the regular track that will, next year, see horses running over grass. In view of the fact that it is too early for the regular Atlantic City vacationers, the attendance of over 11,300 was indeed a fine one at this season of the year. The Atlantic City officials are frank to say that they do not expect to make much profit at this first meeting, but, even if they do not, we have an idea that their second meeting—much of which will be run in August—will prove highly popular with New Jersey racegoers. When we left there, we did so with the conviction that within two years this will be one of the most beautiful race tracks to be found in the East.

Mrs. P. A. B. Widener was at Atlantic City on Monday to see her crack five-year-old Polynesian win the Inaugural Handicap in easy fashion. It was last year that Polynesian equaled the world's record at Atlantic City for six furlongs in 1:09⅕. That the son of Unbreakable is partial to the Atlantic City course was obvious on Monday when, under a perfect ride by his regular jockey, Eddie Arcaro, he was timed in 1:11. On only one occasion this season has Polynesian carried less than 130 pounds, the same weight that he was assigned for the Inaugural at the Seashore course. During the past two years, Polynesian has started in 26 races and been in the money on 21 occasions. Recently, we announced that Mrs. Peter A. B. Widener intends to retire this extremely fast horse some time this season, and also that she would donate a stud service to him, the entire proceeds to go to the Damon Runyon Memorial Fund. His fee will be $1,500 and, as his book is full, it will be impossible for any breeder to get a service to him beyond this one that has been donated by Mrs. Widener. This writer already has a bid of $2,500 for that service, and we would be very pleased to accept further bids from breeders in any part of the country.

It begins to look as if racing may have a real two-year-old champion in Saggy, the Swing and Sway colt who, in winning the Eastern Shore Stakes yesterday, won his fifth race of the season with nary a defeat. It is too early, of course, to make any predictions regarding this youngster who races in the silks of Mrs. S. Sagner and, as he beat only one horse in the Eastern Shore Stakes, his future efforts will be a more definite guide as to his championship possibilities. He is slated to start in the World's Playground at Atlantic City on Memorial Day and, even though he has a world's record to his credit, he will be given the acid test in that event, for there are quite a few highly regarded juveniles expected at the Atlantic City course for that race. On the day following the World's Playground at Atlantic City, the National Stallion Stakes, which will be run as a secondary feature to the Belmont, will be contested on Long Island, and should Saggy triumph in New Jersey, it will be interesting to see how he later fares against the formidable youngsters who have been campaigning here in New York to date. Until they beat him, however, Saggy looms as one of the top two-year-olds of the season.

With the weights now released, the Suburban Handicap, to be run at Belmont Park on Friday, still shapes up on paper as the most interesting handicap event to be staged so far this season. The four-year-old Assault is assigned the top weight of 130 pounds, and the "Triple Crown" winner of 1946 is followed by Basileus II. and Stymie at 126 each. While the French champion, Basileus II., has yet to make his first start of the season, the respect in which he is held by John B. Campbell is obvious in these assignments. Pavot has been assigned 121 pounds. Natchez is next on the list at 120, and is followed by Rico Monte and Polynesian at 119 each. We would hardly say that the contention ends there, for there are some horses with lesser assignments who could give the topweighted group a real fight for the honors. It seems fairly certain that both Assault and Stymie will be starters. Not only will their get-together be of interest to racing fans, but there will be many watching the two of them as both have serious designs on Whirlaway's record of $561,161, the figure at which Mr. Longtail now sits on the world's money-winning throne.

There appears to be a growing conviction that the Belmont Stakes on the week-end will be a "two-horse race"—the two horses, of course, being Faultless and Phalanx. The racing public seems very reticent to give up on Phalanx, the son of Pilate, who is jointly owned by C. V. Whitney and A. S. Hewitt. As we see the Belmont, there will be about seven starters and the supposition seems to be that if Phalanx is to win any of the important races for the three-year-old division, it will be the Belmont, as the distance of one and one-half miles is made to order for him. Some of those who follow the races closely are of the opinion that the Belmont distance is going to be beyond the capabilities of Faultless, who won the Preakness at one and three-sixteenth miles and then took the Withers at one mile. The Belmont is really a show-down for both Faultless and Phalanx. If the former should win, he will have clearly established his claim to the three-year-old championship. Should Phalanx be returned the winner, the only conclusion that could be drawn is that Faultless is the best three-year-old up to one and one-quarter miles, and Phalanx the best at the longer distances. This would by no means be the first year that such a condition existed in the three-year-old ranks or, for that matter, in the handicap division.

Donoso to Ride Phalanx And Arcaro, Khyber Pass

BELMONT PARK, Elmont, N. Y., May 27.—A slight drastic change in riders is contemplated for the Belmont Stakes on Saturday. Eddie Arcaro, who rode Phalanx for C. V. Whitney in the Kentucky Derby, Preakness and Withers, is to ride that owner's Khyber Pass in the $100,000 stake, while Ruperto Donoso has been assigned to the stretch-running, but not stretch-running-enough Phalanx. Last year morning trials indicated that Khyber Pass was considerably faster than Phalanx, but the horse never seemed able to learn how to handle himself in races, though he did succeed in graduating before the season was over.

Arcaro won Saturday's last race with Khyber Pass, after finishing third in the Peter Pan Handicap on Phalanx.

Mel Eppley Shows Fine Form in Suffolk Score

Wins Chesapeake Purse Easily In Role of Public Favorite

SUFFOLK DOWNS, East Boston, Mass., May 27.—Torrence C. Melrose's shifty colt, Mel Eppley, who failed to train to expectations in his prep for the Kentucky Derby, looked the part of one of the best three-year-olds to show in this section this season when he triumphed in the Chesapeake Purse here this afternoon. Although his margin was only a length and one-half at the finish and the time of 1:12 was slower than registered by selling platers in a previous race, the colt won very cleverly. He was allowed to race on his own courage during the early part and when making a strong bid as they rounded the stretch turn he found a stone wall of horses blocking his path. However, he waited until an opening occurred, took smart advantage, then came away impressively.

A. Richer's speedy Fleet West, full of run from the start, held on determinedly in the final stages to take the place from Oran Lodge Stable's Valiente, while McCarthy & Gavegnano's Black Knave was a tiring fourth.

Mel Eppley is a candidate for Saturday's Belmont Stakes at Belmont Park, but because his training has been interrupted before shipping here from Kentucky, he is not regarded as a prospective starter. For today's six-furlong sprint, he appeared to be in exceedingly fine condition and if he remains here for the New England season, it is believed that he will be very hard to beat.

Conditions for today's offerings were ideal, with warm, sunny weather and a fast track prevailing for the crowd of 15,226.

Mainly because he had won the $25,000 Mayflower Stakes as a two-year-old over this track, Mel Eppley was established favorite for the Chesapeake, with Valiente and Fleet West being the next most popular.

Boston at Seashore Course

ATLANTIC CITY, Mays Landing, N. J., May 27.—Atlantic City race fans had their first look today at the capable apprentice Don Boston, who came down from Havre de Grace to accept mounts on the day's program.

Kenney's Views on Bloodstock Breeding
Combs, duPont Find no 'Sub' for Class
Extensive Culling Preceded Their Rise
Sales Fillies Beginners' Best Chance

LEXINGTON, Ky., May 27.

Chatting with Charley Kenney here today, he remarked that "After all, the breeding of thoroughbreds isn't a great deal different from the breeding of other livestock. If one breeds sound and well-made horses, they run well usually. I think that what Brownell Combs has achieved with horses, cattle and sheep will illustrate this point. Here at Coldstream a few years ago, we bought a number of Angus heifers. They hadn't much breeding and were quite ordinary. We then bought one of C. V. Whitney's well-bred yearling bulls from Ivor Balding for $600. The stock he got from these heifers marked an improvement, so much indeed that we have since turned down $6,000 for the bull." There is one difference in horse breeding which cannot be ignored in safety. They are bred for speed rather than for size or type. Kenney says that the dam's influence on the foal is greater than that of the sire, so that breeders begin by culling their mares. Of course this is where "the race track test" becomes a most important factor in the program, and those who set their standards highest are breeding the highest percentage of good horses.

Perhaps we may learn something about bloodstock from the experience of Willie duPont and Brownell Combs. Some years ago duPont found himself dissatisfied with the results he was obtaining from a band of more than 30 mares. They were the sort that are half-sisters and granddaughters of good horses, and mostly they were bad specimens of good breeds. So he sold or gave away all but three that were genuine producers. From these three have come Fair Star, Gold Seeker, Fairy Chant, Rosemont, Ficklebush and all that crowd. Similarly we recall that Combs one day decided to reduce his stud of an indifferent lot of mares to the one filly who suited him. She turned out to be Myrtlewood. This all seems to show that these men found that there is really no substitute for class, and it is noted that they will not breed one of their good mares' inferior fillies. We shall not be surprised if Brownell Combs has a band of eight or ten mares that are 100 per cent stakes winners before many more years. The three he now has are in this category, and Miss Dogwood's two-year-old sister, Moon Flower, who will come to the races at Chicago this summer, has shown some promise.

Not long ago we saw Fairy Chant at duPont's Walnut Hall in Virginia. This altogether charming bit of blood is a mare whose career as a producer will be of academic interest. She was a stakes winner at two, quite the smartest three-year-old of her year, and won two Beldames, but we're afraid this all summed up to rather a busy campaign. It is less surprising that her first foal was undersized than that he became a stakes winner. Fairy Chant has a pedigree that is like an old song. She is by Chance Shot out of the good producer Star Fairy, who was out of the Pimlico Futurity winner, Fair Star. The next dam was Etoile Filante, and this mare's foals also included High Quest. It is said that Etoile Filante was so named because she was foaled one evening when the sky was full of shooting stars. The name is French for falling star, you know. Etoile Filante was by Fair Play and so is Chance Shot, which is to say that Fairy Chant is inbred to that horse. Possibly this explains the fact that she is a chestnut, even though her sire and dam are bays. This amuses us because it was only the other evening that a pedigree expert assured us that inbred horses never resemble the horse to whom they are inbred. He added that inbreeding to the inbred Domino through High Cloud and High Time mares resulted in some awfully soft-boned quarter horses. But then Questionnaire is inbred to the inbred Domino, so it would seem that the success of this formula rather depends on choosing the right sort of individuals.

There now is no market in really good producers. Hal Price Headley says that they simply are "not for sale," except in such circumstances as the sale of La Troienne. We do not believe that Midas himself could now assemble a stud of good mares of proven class as producers. Usually it takes many years to develop a stud and Warren Wright's time of less than two decades must be a record on a dirt track. He began at a time when others were inclined to sell. John Hertz says that it has taken him 25 years of buying, experimenting and culling. About the only course open to the beginner now is to buy choice yearling fillies and hope to get one of those "old blue hens," as Dr. Charley Hagyard calls high-class producers.

Turfiana: The young Tennessee breeder, Jimmy Tupper, had bred nothing but fillies for three seasons, when Sure Silesia foaled him an Apache colt this spring. . . . C. V. Whitney may offer a draft of mares to make room for such as First Flight, Recce, Monsoon, Mother, Bright Song and the others. . . . A good many of Mahmoud's stakes winners are fillies, which is ideal in that it coincides with the Whitney Farm breeding program. The next step is a suitable mate for these fillies. . . . A total of more than 100 thoroughbred foals are expected in Tennessee this season. . . . If you care to know, Bull Dog cost $75,000, and it seemed a big price at the time.

A. J. Goldsborough, Jr., Gets Madrid Post

BELMONT PARK, Elmont, L. I., N. Y., May 27.—A. J. Goldsborough, Jr., grandson of the late trainer, was appointed naval attache of the embassy at Madrid. Young Goldsborough, who is named for his late grandfather, one of the ranking trainers of his day and who developed the good horse Roamer, took a post-graduate course at the University of Madrid.

Top Flight Handicap Brings Out Twelve Fillies and Mares

tomorrow, but she won so easily that the weight shift seems unimportant.

Miss Grillo ran dismally in her first New York start after winning the Black Helen Handicap with 130 pounds on her back at Hialeah, then came back to finish third behind Risolater and Be Faithful in an overnight handicap here. The winner of the Argentine Derby trailed through the early stages of this race, then finished fast, but on the extreme outside, ducking to the inside in the final sixteenth. She lost as much ground by this devious course as the length and a half she was beaten.

By her victories in the Black Helen and a track record performance at Saratoga, Miss Grillo has shown that her victory in the Argentine Derby, in which she narrowly defeated Rico Monte, was no fluke, and she must be respected tomorrow.

Kent Miller's pair of War Battle and Elkridge will be opposed by Thomas T. Mott's Floating Isle, Brookmeade Stable's Fleettown, Mrs. F. Ambrose Clark's Raylywn, and G. H. Bostwick's Army Power in the Meadow Brook. Most of the jumpers met in last week's Corinthian Steeplechase, which was won by Boojum II., with Raylywn finishing a length away and the same margin before War Battle, while Floating Isle was a remote fourth, and Fleettown lost his rider at the third fence when leading.

Hooper Wins Detroit Award

FAIR GROUNDS, Detroit, Mich., May 27. —Jockey Claude Hooper was the first saddle artist to claim the $100 award presented by the Detroit Racing Association to riders who score on three mounts during a day's program. The veteran booter brought home Tetramore, Pilate's Miss and Mayram on the Monday card.
